

Welcome to the Canterbury Branch of the Ulysses Club Of N.Z. Inc.

The first thing you will notice is the word motorcycle is not mentioned in the title of the club, this was by design not by mistake.

Some of the more frequently asked questions should be answered by this information sheet and if they are not please feel free to make contact with the local Coordinator as listed at the end of this sheet.

The Ulysses Club is for people with an interest in motorcycling and are over 40 years of age. We are here for comradeship and social times with like-minded people.

We meet once a month for a club social meeting and this is held on the **Third Wednesday of the month at 7:30 p.m** at the “**Cashmere Club**” (Heathcote Room), **88 Hunter Tce.** Light meals are available from 6:30 p.m. and it's suggested that you arrive early and meet with other members and introduce yourself and your partner.

Through out the year we organise rides and special events and these are advertised in The Weekend Press in the Drive Section under Motorcycles.

Just look for the heading “**ULYSSES**” and you will find the information.

You are also welcome to view our web site at: <http://Ulysses.org.nz/canterbury>

If other clubs are organising charity events we like to show our support by attending these events. Our members also attend rallies and events organised by other Ulysses branches and Motorcycle Clubs e.g. Ulysses National AGM, GUSS Rally, Brass Monkey, Woodstock, Magpie, March Hare rallies etc.

How do you join? Simple: attend at least two rides/events or meetings and if you like what you see, ask for an application form from a Committee member or the Branch Coordinator, then fill in the form, attach your payment and hand it to the Branch Coordinator for processing. He will forward your application form on to the National Committee and in due course you will receive your membership card etc.

What does the club require of you? Only what you are willing to give. But you must remember it will only give as good as it gets.

If you require any more information then contact:
