

# The Good Oil

Greetings fellow Ulybods.

We all recall Bob Tanners weekly epistle reminding all and sundry what was going on. I certainly miss it. So at the last committee meeting the subject of re-starting a weekly heads up was discussed.

I've said I'll give it a crack.

It's not a replacement for the Website or Facebook pages; I will post a link to those sites where there is further details you need to know about like entry forms and that.

So, here goes;
