### **EVENT HISTORY**

The Ulysses Remembrance Ride was started in August 1988 under the name of the Mel Curran memorial run. The Auckland branch had planned a weekend run to Taupo and it was on the eve of the run, 5th August 1988 that we learnt of the death of our friend Mel who had been in hospital for some weeks after an accident on his bike.

During the weekend the members present in Taupo decided to remember Mel the following year with a memorial run for which a badge would be struck. Since that time we have lost a number of good friends and fellow motorcyclists through accident or illness and after the first Memorial Run it was decided to change the title to Remembrance Run in order to include all riders who wished to come along to remember old friends.

Remembrance Ride to Hanmer Springs 6th Aug. (Sat) South Island.  
Departure 9:30am from the Belfast Tavern 'The Peg'.

**Service at Hanmer Hot Springs Motor Lodge starts at 1pm.**

Please consider this:

This ride is our chance to honour our departed mates. We consider them to be riding with us and expect the behaviour of all to reflect that.
